Subject Index, 2002

A

- Abdominal pain: self-hypnosis and poetry — 195
- Achalasia and tuberous sclerosis complex — 68
- Adolescents
- in 2042 (poetry) — 134
 - age of menarche and BMI — 501
 - blood pressure monitoring — 549
 - breast feeding among African Americans — 669
 - palpitations and hypertension — 725
 - personality assessment in congenital heart disease — 17
 - pica and sickle cell disease — 493
 - weight counseling — 575
- Adoption, international, and health problems — 235
- African Americans
- breast feeding among adolescents — 669
 - breast feeding and rickets — 265, 731
- Agitation in critically ill children — 51
- Alkalosis, metabolic, and cystic fibrosis — 715
- Allergic rhinitis and cetirizine HCl syrup — 687
- Anemia, iron deficiency
- cow's milk-induced — 533
 - and prolonged bottle feeding — 603
- Antibiotics
- patient, physician and nurse satisfaction — 285
 - tetracyclines — 203
- Apnea. *See* Sleep apnea
- Appendicitis diagnosis — 125, 179
- Appointments, compliance with first newborn appointment — 515
- Arnold Chiari Type I malformation — 439
- Aspirin and IV immunoglobulin for Kawasaki syndrome — 597
- Asthma
- child care program directors' knowledge — 111
 - effect of flunisolide HFA on growth — 333
- Atopic dermatitis — 323
- Attention-deficit/hyperactivity disorder (ADHD)
- comorbidity and medication use — 461
 - differentiating from seizures — 565
 - language perception problems — 231
- B
- Back pain in vertebral osteomyelitis — 727
- Bilious emesis in emergency department — 475
- Birth-weight and maternal diabetes — 481
- Blalock-Taussig shunt, modified — 617
- Blood gas monitoring — 351
- Blood pressure monitoring — 549
- Body mass index and menarche — 501
- Bone disease: rickets — 137, 263, 731
- Bone marrow transplant reversal of osteopetrosis-related obstructive sleep apnea — 55
- Brain stem tumors — 315
- Breast feeding
- among African American adolescents — 669
 - and rickets — 137, 263, 731
- Bronchopulmonary dysplasia — 77
- C
- Car seat location — 455
- Carbamazepine and absence seizures — 119
- Carbohydrate malabsorption and irritable bowel syndrome — 145
- Cardiology outpatient visits — 593
- L-carnitine for cyclic vomiting syndrome — 171
- Cat scratch disease
- thrombocytopenic purpura — 117
 - vertebral osteomyelitis — 711
- Cetirizine HCl syrup and seasonal allergic rhinitis — 687
- Chest radiographs in evaluation of fever — 67
- Child abuse
- medical evaluation of (book review) — 367
 - methadone poisoning — 365
- Child care program directors' knowledge of asthma — 111

Subject Index, 2002

Chromosomal abnormalities:
Williams syndrome — 257, 277

Coagulopathy
in end-stage liver disease — 613
in hereditary tyrosinemia type-I
— 625

Cognitive Adaptive Test/Clinical
Linguistic and Auditory Milestone
Scale (CAT/CLAMS) — 397

Congenital heart disease and
adolescent self-concept — 17

Conjunctivitis, bacterial — 151

Constipation, chronic: treatment
— 225

Crohn's disease, bullous
pemphigoid complicating — 59

Cyclic vomiting syndrome — 171

Cystic fibrosis and metabolic
alkalosis — 715

Cytomegalovirus infection,
congenital — 519

D

Developmental problems
ADHD comorbidity and
medications — 461
identification of developmental
delays — 397
language perception problems
in ADHD — 231

Diabetes, maternal: outcome
of very-low-birth-weight infants
— 481

Diarrhea in juice carbohydrate
malabsorption — 145

Discharge: early newborn
discharge policy — 99

Duchenne muscular dystrophy —
105

E

Eating patterns in sickle cell
disease — 493

Edema, penile — 547

Education
ethical conflicts between
residents and attending
physicians — 659
intern attitudes towards
pediatrics — 509
vertically integrated general
pediatrics rotation — 675

Electroencephalogram
interpretation — 25

Emergency department
antiemetics for gastroenteritis
— 641
evaluation of bilious emesis —
475

Endocarditis, neonatal — 621

Eosinophilic meningitis in a
neonate — 269

Epilepsy
carbamazepine and absence
seizures — 119
differentiating from ADHD —
565
electroencephalogram
interpretation — 25
seizure classification — 73

Escherichia coli and hemolytic
uremic syndrome — 705

Ethical conflicts between residents
and attending physicians — 659

Eye drops for bacterial
conjunctivitis — 151

F

False aneurysm of modified
Blalock-Taussig shunt — 617

Fever
chest radiographs in evaluation
of — 67
debate on treatment of — 9, 11,
14
respiratory syncytial virus tests
— 415
temple *vs.* rectal temperatures
— 405

Fistula, acquired brachial
arteriovenous — 131

Flunisolide HFA: growth in
children with asthma — 333

Foreign bodies
clinical features and removal —
633
nasal, removal technique — 133

Fournier's gangrene in neonates
— 281

Fruit juice: carbohydrate
malabsorption and irritable bowel
syndrome — 145

G

Gangrene, Fournier's, in neonates
— 281

Gastroenteritis: antiemetic use
— 641

Gastroesophageal reflux — 369

Genetic factors in heart defects
— 653

Genome mapping: poetic
prediction — 134

Growth
and flunisolide HFA for asthma
— 333

Subject Index, 2002

weight/height deficits in brain stem tumors — 315

H

Haloperidol in agitated critically ill children — 51

Hamartomas: achalasia and tuberous sclerosis complex — 68

Health assessment reports for school entry — 93

Hearing: auditory perception problems in ADHD — 231

Heart disease, congenital — 653

Heliox for vocal cord dysfunction — 37

Hematuria with axillary lymphadenopathy — 357

Hemolytic uremic syndrome, recurrent — 705

Hemorrhage, GI, treated with factor VIIa — 613

Henoch-Schonlein purpura — 179, 547

Hepatitis A immunizations — 1

Hepatitis B immunizations — 681

Hospitalization alternatives for bacterial infection — 239

Hypertension
blood pressure monitoring — 549
and palpitations in an adolescent — 725

Hypertonia, congenital familial — 529

Hypnosis (self-hypnosis)
for abdominal pain — 195
for medication palatability — 197

Hypoalbuminemia, pneumonia and pleural effusion — 199

Hypoglycemia, persistent hyperinsulinemic, of infancy — 183

I

Iatrogenic vascular injuries — 131

Immunizations
hepatitis A — 1
hepatitis B — 681
for Lyme disease — 33
record scatter for preschool children — 249

Immunoglobulin (IV) and aspirin for Kawasaki syndrome — 597

Infants. *See also* Neonates
acquired brachial arteriovenous fistula — 131
alternatives to hospitalization for bacterial infection — 239
brain MRI findings in infants with congenital CMV — 519
bronchopulmonary dysplasia — 77
chest radiographs in evaluation of fever — 67
foreign body removal — 133, 633
hereditary tyrosinemia type-I — 538, 625
iron deficiency anemia — 533, 603
onset of narcolepsy symptoms in infancy — 609
persistent hyperinsulinemic hypoglycemia of infancy — 183

Pseudomonas aeruginosa infection — 525

pulmonary rehabilitation programs — 155

respiratory syncytial virus tests — 415

SIDS — 391, 569

Sweet syndrome — 175

Infection prevention
in nephrotic syndrome — 47
umbilical cord care — 419

Infections. *See also* Immunizations
alternatives to hospitalization for infants — 239
and antipyretic use — 9, 11, 14
bacterial conjunctivitis — 151
brain MRI findings in infants with congenital CMV — 519
cat scratch disease — 117, 711
lymphadenitis, suppurative cervical — 471
meningococcal bacteremia — 141
Mycobacterium fortuitum — 439
Pseudomonas aeruginosa — 525
pulmonary nocardiosis — 443
Salmonella group C mastitis — 201
streptococcal pharyngitis mimicking appendicitis — 125
Streptococcus bovis meningitis — 523
Streptococcus pyogenes lacking hemolysis — 453

Intensive care management of neonates — 587

Intussusception in a neonate — 721

Iron deficiency anemia
cow's milk-induced — 533
and prolonged bottle feeding — 603

Subject Index, 2002

Irritable bowel syndrome and carbohydrate malabsorption — 145

K

Kawasaki syndrome treatment — 597

Kindergarten health assessment reports — 93

L

Lactic acidosis, congenital: pH monitoring — 351

Lactulose for chronic constipation — 255

Language perception problems in ADHD — 231

Learning problems. *See also* Developmental problems

screening for — 697

Liver disease, end-stage, and coagulopathy — 613

Lyme disease vaccine — 33

Lymphadenitis, suppurative cervical — 471

Lymphadenopathy, axillary, with hematuria — 357

Lymphangioma — 123

M

Mastitis caused by *Salmonella* group C — 201

Mediastinal tumors — 219

Medical humanitarian aid — 235

Medication palatability — 197

Menarche, age at, and body mass index — 501

Meningitis

eosinophilic, in a neonate — 269
Streptococcus bovis — 523
and unexplained coagulopathy — 625

Meningococcal bacteremia — 141

Methadone poisoning, nonaccidental — 365

Muscular dystrophy, Duchenne — 105

Mycobacterium fortuitum — 439

N

Narcolepsy — 609

Nasal foreign body removal — 133

Needle aspiration for suppurative cervical lymphadenitis — 471

Neisseria meningitidis — 141

Neonates

compliance with first newborn appointments — 515
early newborn discharge policy — 99
endocarditis — 621
eosinophilic meningitis — 269
Fournier's gangrene — 281
hepatitis B immunizations — 681
intensive care management — 587
intussusception — 721
outcome of VLBW infants born to diabetic mothers — 481
sleep patterns in preterm twins — 425
topical salicylate poisoning — 451
umbilical cord care — 419

Neoplasms

brain stem tumors — 315
lymphangioma — 123
mediastinal tumors — 219

Nephrotic syndrome: infection prevention — 47

Neuromuscular disease

congenital familial hypertonica — 529
respiratory complications — 301

Nurses: satisfaction with antibiotics — 285

O

Obesity in adolescents — 575

Orphanages in Moldova: health assessment — 235

Osteopetrosis and obstructive sleep apnea — 55

Otitis media, acute: treatment — 373

P

Pain

abdominal pain and self-hypnosis — 195
sedation and analgesia — 5

Palatability of medications — 197

Palpitations and hypertension in an adolescent — 725

Parents

cosleeping attitudes — 433
dealing with Duchenne muscular dystrophy — 105
fear of and treatment of fever — 9, 11, 14
involvement in cardiology outpatient visits — 593

Subject Index, 2002

- knowledge of car seat location
 in disadvantaged population
 — 455
 Lyme disease vaccine
